### **§ 570.38 Revision of this subpart.**

Any person wishing a revision of any of the terms of this subpart may submit in writing to the Secretary of Labor a petition setting forth the changes desired and the reasons for proposing them. If, after consideration of the petition, the Secretary of Labor believes that reasonable cause for amendment of the subpart is set forth, he shall either schedule a hearing with due notice to interested parties, or

shall make other provision for affording interested parties an opportunity to be heard.

## **Subpart D [Reserved]**

## **Subpart E—Occupations Particularly Hazardous for the Employment of Minors Between 16 and 18 Years of Age or Detrimental to Their Health or Well-Being**

AUTHORITY: Secs. 3, 18, 52 Stat. 1060, 1069; 29 U.S.C. 203, 218.

NOTE: The provisions of this subpart declaring certain occupations to be particularly hazardous for the employment of minors between 16 and 18 years of age or detrimental to their health or well-being do not apply to employment in agriculture.

### **§ 570.50 General.**

(a) *Higher standards.* Nothing in this subpart shall authorize non-compliance with any Federal or State law, regulation, or municipal ordinance establishing a higher standard. If more than one standard within this subpart applies to a single activity the higher standard shall be applicable.

(b) *Apprentices.* Some sections in this subpart contain an exemption for the employment of apprentices. Such an exemption shall apply only when: (1) The apprentice is employed in a craft recognized as an apprenticeable trade; (2) the work of the apprentice in the occupations declared particularly hazardous is incidental to his training; (3) such work is intermittent and for short periods of time and is under the direct and close supervision of a journeyman as a necessary part of such apprentice training; and (4) the apprentice is registered by the Bureau of Apprenticeship and Training of the United States Department of Labor as employed in accordance with the standards established by that Bureau, or is registered by a State agency as employed in accordance with the standards of the State apprenticeship agency recognized by the Bureau of Apprenticeship and

Training, or is employed under a written apprenticeship agreement and conditions which are found by the Secretary of labor to conform substantially with such Federal or State standards.

(c) *Student-learners.* Some sections in this subpart contain an exemption for the employment of student-learners. Such an exemption shall apply when:

(1) The student-learner is enrolled in a course of study and training in a cooperative vocational training program under a recognized State or local educational authority or in a course of study in a substantially similar program conducted by a private school and;

(2) Such student-learner is employed under a written agreement which provides:

(i) That the work of the student-learner in the occupations declared particularly hazardous shall be incidental to his training;

(ii) That such work shall be intermittent and for short periods of time, and under the direct and close supervision of a qualified and experienced person;

(iii) That safety instructions shall be given by the school and correlated by the employer with on-the-job training; and

(iv) That a schedule of organized and progressive work processes to be performed on the job shall have been prepared.

Each such written agreement shall contain the name of student-learner, and shall be signed by the employer and the school coordinator or principal. Copies of each agreement shall be kept on file by both the school and the employer. This exemption for the employment of student-learners may be revoked in any individual situation where it is found that reasonable precautions have not been observed for the safety of minors employed thereunder. A high school graduate may be employed in an occupation in which he has completed training as provided in this paragraph as a student-learner, even though he is not yet 18 years of age.

[28 FR 3449, Apr. 9, 1963, as amended at 33 FR 12777, Sept. 10, 1968. Redesignated and amended at 36 FR 25156, Dec. 29, 1971]

**§ 570.51 Occupations in or about plants or establishments manufacturing or storing explosives or articles containing explosive components (Order 1).**

(a) *Finding and declaration of fact.* The following occupations in or about plants or establishments manufacturing or storing explosives or articles containing explosive components are particularly hazardous for minors between 16 and 18 years of age or detrimental to their health or well-being:

(1) All occupations in or about any plant or establishment (other than retail establishments or plants or establishments of the type described in paragraph (a)(2) of this section) manufacturing or storing explosives or articles containing explosive components except where the occupation is performed in a "nonexplosives area" as defined in paragraph (b)(3) of this section.

(2) The following occupations in or about any plant or establishment manufacturing or storing small-arms ammunition not exceeding .60 caliber in size, shotgun shells, or blasting caps when manufactured or stored in conjunction with the manufacture of small-arms ammunition:

(i) All occupations involved in the manufacturing, mixing, transporting, or handling of explosive compounds in the manufacture of small-arms ammunition and all other occupations requiring the performance of any duties in the explosives area in which explosive compounds are manufactured or mixed.

(ii) All occupations involved in the manufacturing, transporting, or handling of primers and all other occupations requiring the performance of any duties in the same building in which primers are manufactured.

(iii) All occupations involved in the priming of cartridges and all other occupations requiring the performance of any duties in the same workroom in which rim-fire cartridges are primed.

(iv) All occupations involved in the plate loading of cartridges and in the operation of automatic loading machines.

(v) All occupations involved in the loading, inspecting, packing, shipping and storage of blasting caps.

(b) *Definitions.* For the purpose of this section:
